Language Arts: We have finished up The Indian in the Cupboard with some review activities and we watched the movie as well. We took it back to the 90s. They really enjoyed seeing the characters come to life. This past week we have also been reviewing poetry and our strategies when reading poems. They are doing great! Next week we will take on some nonfiction. They have also finished up collecting their research and been typing up their research essays. These are due on Monday.

Next week our review genre will be nonfiction.

*Please help make time for homework after school; it's so important to have time to review, read (books on level), and practice the skills that we need to master this school year.

Social Studies: They have been digging deep into their research topic this week. They are becoming pros on their topics. Their essays are due next week and from there we will move into putting together their presentations. We continue digging into American History and are reading a book as a class about Jackie Robinson.

Science: We will finish up Ecosystems on Tuesday and will have our test on Friday of next week. After that we will be reviewing for the EOG, which is Friday, May 25.

Students should complete a third summary on videos 16 - 23 videos posted in Google Classroom by Friday, May 16. Specific directions are posted in Google Classroom. Please know that this is a process that will take about an hour to view the videos alone. Students will need to set aside some time for completion of this assignment.

Important Dates

- 5/14 Research Essay Due
- 5/16 No School
- 5/25 Science EOG
- 5/28 No School/ Memorial Day

Daily Schedule

8:45-9:15 Arrival/ Morning Procedures

9:15-10:10 Block 1

10:10 – 10:55 Specials

10:55 – 12:00 Block 1

12:00 – 12:50 Block 2

12:50 – 1:20 Lunch

1:20 – 1:50 Activity Time

1:50 – 3:10 Block 2

3:10 – 3:30 Finish class/Wrap up day

Math: We are finishing Volume this week and will have our test on Tuesday, May 15. When we return on Thursday we will begin measurement.

Weekly, students have a Moby Max assignment. This week's assignment deals with fractions. When they finish the given assignment they may work on any Math concepts they feel that can use some reinforcement with. Weekly students are required to spend an hour on Moby Max Math. For students that do not complete this assignment each week they will be provided time during 'smart recess.'
