Language Arts: This week we have been reviewing our nonfiction reading strategies along with text features that come along with nonfiction. The kids continue to do great when they put effort and time into their reading. We turned in their research essays and they have started on their google presentations. They will continue on these next week while we keep reviewing our literary terms and reading strategies.

Next week we will review all genres.

*Please help make time for homework after school; it's so important to have time to review, read (books on level), and practice the skills that we need to master this school year.

Social Studies: They are pulling their research together to figure out how they want to present it. We continue digging into American history and are reading a book as a class about Jackie Robinson.

Science: We have finished Ecosystems!!! This week we will be studying for the Science EOG on Friday. Students will have to review the different videos in Google Classroom this week. The directions for the day/night will be listed there. Students should also be studying their notes as well. If they are not studying these notes and videos daily they are not preparing for this test. Please make sure they are doing this each night.

Important Dates

- 5/23 Parent Letter due
- 5/25 Science EOG
- 5/28 No School/ Memorial Day
- 5/30 Reading EOG
- 5/31 Math EOG

Daily Schedule

8:45-9:15 Arrival/ Morning Procedures

9:15-10:10 Block 1

10:10 – 10:55 Specials

10:55 – 12:00 Block 1

12:00 – 12:50 Block 2

12:50 – 1:20 Lunch

1:20 – 1: 50 Activity Time

1:50 – 3:10 Block 2

3:10 – 3:30 Finish class/Wrap up day

Math: We have a few more days of measurement and then we are done. Students **will not** take a formal measurement test but rather we will work through the test questions as part of our classwork. We will start reviewing for the Math EOG next week as well. Students may work on any Moby Max assignments they like for additional reinforcement.
